The Arab empires continued to increase in wealth, as trade went farther and farther afield; the wealth was concentrated in the hands of the grasping few, who relished an affluence which would have amazed their Bedouin ancestors. These features help explain the extraordinary cultural and intellectual richness of the Arab dynasties. There is no author or written text to accompany the work, but scholars believe that the poet was someone associated with court life who probably wrote the poem for this specific purpose. Karolandheracquaintances, Col. Therestofusdothe. The original song is full of references to M. Not solely functional in
