A checkmate by a Knight against an enemy King which has no way out because all of its escape squares are blocked by its own pieces. Your goal when opening is to develop, or move off of the starting squares, as many strong pieces as possible. The choices were extremely straightforward when it came to improvement. The Nc3 Nc6 3. Ian Shanahan: A very obvious key to complete the block in this unit Meredith. Nf3e63.DTDharmendraTiwariSep9,I was a beginner and didn't know the rules, but after reading this amazing article with cute pictures, I know what each piece is worth and some great tips. Your first moves develop a lot of pieces quickly and begin fighting for the center of the board.
