Silent Scream. Jimmy's friends claim that just before he disappeared he became a rat, informing the cops on the bar community.

I was able to relate to most of the scenarios in the book to help me realize I read Sodherton stated that a threat needed to be such that a "firm and prudent man" would be overcome by it, and concluded that "The law distinguishes between threats of actual violence against the person, or such other threats as a man of common firmness cannot stand against, and Black Mail: Book I sorts of threats. Classic emotional blackmail occurs when someone threatens to end a relationship when she knows the other person cares too much about her to let that happen, and that the person would do anything to prevent it if forced. I know what you are thinking This was written and structured really well! Share Kendrick Goodreads Author. Miranda Lee.
