Heart of Venom (Elemental Assassin, #9) by Jennifer Estep

Heart of Venom is a heart stopper! It was definitely the most disturbing of the books so far. Gin is up against her most demented foe yet. Seriously, this guy is sick.

But our mixed-blood heritage short-circuits our talents at all the wrong times. I keep hoping Gin is able to do something. Gin vows to get Sophia .

Assuming, that is, she survives long enough to find out... It went downhill then. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. Only this time she has The Spider on her side, and Gin will stop at nothing to keep Grimes from hurting Sophia .

Are you, like, saying Owen and Gin are having differences even after the 8th book? it was 50 that got me into contemporary romance. Elementals, the elementals manipulators of fire, ice, stone, and metal are the top dogs, with more power than the other supernaturals: giants, dwarfs, and vampires no shape-shifters in this world.
