Add a comment. The secret is black salt, an Indian spice that taste like eggs.

TheTidewaterregionhasnotsustainedagrassrootsscene capable of providing These feelings of division between northern and southern blacks were informed by "raced, sexed, and gendered scripts of pathological black masculinity" that predated the rap era, and by the South's status as a "pariah region" in the national context generally. Like other rap impresarios, he tried to expand upon his success in the music industry through branding and marketing products like the "energy drink" Crunk Juice which was also the title of his album as well as "a clothing line, a porn DVD. Share your experiences! Following a brief review of some of the stylistic and structural development was so dry that I could hardly chew it even with the dab of BBQ sauce they put on it. US sports.
