Its a quiet, misunderstood, nerdy, and disciplined music. Make sure the outcome of every practice session is something you will care about: You'll try harder and be more engaged, and you'll improve more rapidly. Repetition comes in many forms. Looking, counting stitches, watching your needles. This was by far enough so that by the time the same variation played again the players would never notice. Leave a Reply Cancel reply Your email address will not be published. Music is full of fractal recursion. Repetition, in short, is the lifeblood of music.
