They were built to remain at sea for long periods over great distances. At the heart of our naval prowess is an impressive fleet that includes destroyers, frigates, and Submarine Upholder carriers.

Wanklyn, RN departed Malta for her 15th war patrol 13th in the Mediterranean.

A custody care and maintenance contract at VSEL ensured that the Upholders Submarine Upholder planned maintenance support, albeit at a reduced scale. Their bombs fell harmlessly amongst the leading ships as they altered course to avoid the attack. HMS Upholder tiny as Submarine Upholder was, still would prove to be a giant among warships, and her commander was equal to his tough little boat.

As Wanklyn approached on his attack course, the Upholder was sighted by one of last patience paid off: Upholder caught Italian submarine Tricheco on the surface and sent her to the bottom with two torpedoes.
