This one dates back to a time when local taverns, pubs and bars served up their patrons drinks by the quart and by the pint. Most Old English proverbs are lost to modern speakers, though some survived through the Middle English period. Another origin for the term 'deadringer' comes from horses. This shows the ph There we have catchphrases and proverbs both in mainstream literature and in collections, which are themselves given prominence by being placed where they are. Big Wig A big wig is generally thought of nowadays to be a person of high repute, a wheeler and dealer, someone prominent. I'm already planning a sequel! Who first quoted the following? Sailing ships, including war ships and freighters, carried cannons. Thank you for your kind comments.
