The most important of those areas was the Lunda, which from the 18th century onwards had provided Luanda with the majority of the slaves shipped to Brazil and the Americas Dias The responsibility for enforcing food chain legislation lies with Member States, which are required to establish a system of official controls to verify compliance by operators with requirements deriving therefrom and sanction non-compliances. If so, are efforts being made on the European side to provide positive support for the peace process and to secure a longer-term solution?
