Neanderthal Man. The Magical Battle of Britain. In short: I really enjoyed the insight to this pagan world, of this ancient environment where the stories I love could arise naturally.

Apart from the land border with the Irish republic, the United Kingdom is surrounded by the sea. The events of heroism, treachery and glory that built and destroyed these Celtic strongholds were not written and stored in archives, but memorized and stored in the peoples' hearts. In their art, they became very skilled at creating complicated interlacing patterns and symmetrical knot designs.
