In Germany, the Social Democratic Party became the largest and most powerful socialist party in Europe despite working

illegally until the anti-socialist laws were dropped in While Christian democrats, social liberals and certain national and social conservatives among others, tend to support social democratic policies and generally see capitalism compatible with a mixed economy. Classical liberals, conservative liberals, neoliberals, liberal conservatives and right-libertarians define capitalism as the free market supporting a small government, laissez-faire capitalism and a market economy and opposing social democratic policies as well as government regulation and economic interventionism, seeing actually existing capitalism as corporatism, corporatocracy or crony capitalism. Stetson University. Wiley-Blackwell Publishing. The Delusions of Economics. In: Yoder-Wise P, ed.
