Hermeneutics was originally devised as a method of textual interpretation by a German philologist and theologian called Friedrich Schleiermacher. Thus, the special, yet unacknowledged interest of modern bourgeois, capitalist society disrupts and disguises understanding and communication in a worldwide global consumer society. Bleicherp. ForsterMichaelN. Tradition hands down certain interests, prejudices, questions, and problems, that incite knowledge. Dilthey argues that ComteSpencer and Mill have contributed much to the establishment of the Geisteswissenschaften but have been overly speculative in proposing social science as a whole conceived as analagous to the ordering of knowledge gained from the natural world. Light Traces. Kierkegaard'sInstant.Philosophyofmind.Dilthey is not anti-empirical. This book brings Gadamer and Ricoeur into a hermeneutical conversation with each other through some of their most important commentators.
